Just WANT you to know  
that I'm implenting your stuff.  
15 min open house - OCT 22, 06.

WALTER,

What CAN I say?!  
You're the man. I really  
appreciate what you've  
done - and what you do.  
You chose me as your "rookie"  
when you presented @ The Royal  
LePage Convention in Whistler, BC.  
I live for this biz, and had no  
problem being your pupil/newbie.  
I'm already into the materials I  
bought - great stuff.

Thanks for doing what you do,  
I plan to be lecturing one day too!  
Best Wishes, Jody Miller.
