Dear Walter,

I would like to take the opportunity to thank you for the "If I could start over again" book & CD set. I am excited to start implementing your ideas, especially the 15 minute OpenHouse tour. I have already spoken to a leader who is excited to help me with it.

I can honestly say everyone in that room knows who I am now! I have told the agents in my office I won't be taking their referrals, but they should get ready to get mine! "

Walter, if I may be so bold as to ask if I can keep you updated on the progress I am making? Thank you again.

Regards,  
Kristina Restivo
