Dear Cyndi,

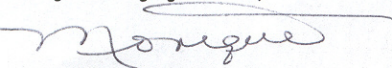

First, let me thank you for being such an organized, thorough and knowledgeable contact at Sanford Systems. Working with you helped make the Seacoast Board of Realtors' annual event a success.

Secondly, from where does Walter get his energy?? He kept our entire audience mesmerized with tactics, scripts and methods for achieving outstanding results in real estate sales. His enthusiasm and spirit was encouraging, forthright and honest. When he says he'll change people's lives, he means it!

Lastly, we, as a board of Realtors and Affiliate members of the seacoast of New Hampshire, feel fortunate to have been able to bring Walter here for such an event. The hall was at full capacity and our feedback from the 220 attendees has been nothing short of fantastic.

Thank you, again, for all your assistance and communication throughout our planning process. Sanford Systems is top-notch in our book!

Very truly yours,

Monique Adjami Shevlin
Co-Chairperson, Education Committee
Seacoast Board of Realtors, New Hampshire
