Sanford Systems:

I wanted to thank Walter for his recent seminar in Sarasota Florida. In the past 20 years in the mortgage business this was the most professional and motivational speaker we have ever had the honor of sponsoring.

Walter provided solid ideas to help the 100 plus Realtors in the audience take their business to another level. His 'real life' experience conveyed his knowledge and ideas to us all.

We have more than covered the reasonable cost of sponsoring Mr.. Sanford through referral business and new contacts made.

I look forward to seeing Walter here again in the spring.
