Our Coaching Program

The very best athletes, entertainers, and business leaders all have someone in their corner whom they can go to for advice, leadership, and teaching. Unfortunately, the average person has no coach and too often allows himself to be influenced by those who have never achieved high levels of success.

With nearly thirty years of real estate experience including record levels of high real estate production and creative business systems, Walter Sanford offers personal coaching to a select group of clients each year.

Why not make this year the one when you start enjoying your career, your family, and your life? We have a few spaces left in Walter's personal coaching program.

Please call me, Cyndi, at **1.800.792.5837** so that I can arrange a phone

appointment with Walter for you to see if this may be the year that you take your business to the next level.
